

Every Life Matters (ELM) Cat Rescue

Adoption Questionnaire

Every Life Matters Cat Rescue's primary goal is to ensure the safety, health, and happiness of every feline that we bring into our care. To help us get a sense of each new potential family, we appreciate the time you will take to fill out the following questionnaire. Please answer each and every question truthfully and to the best of your ability.

On occasion, some felines may not be a good fit with a particular family. Because of this, we reserve the right to decline any adoption that is not in the best interests of our rescue cat(s) and/or the potential family.
